

Dear Dr.

I hope this message finds you well.

On behalf of **Dental Diary Academy**, I would like to warmly invite you to be a speaker for our **Virtual Clinical Series**, an initiative aimed at providing **practical, high-quality continuing education for dental practitioners committed to continuous learning**.

We are bringing together experienced clinicians and specialists to share their expertise on relevant clinical topics that can directly enhance daily practice. Given your experience and contribution to the field, we would be honoured to have you as one of our invited speakers.

Proposed Session Details

- **Format:** Virtual Clinical Series
- **Duration:** 1 hours-2 hours (including Q&A)
- **Topic:** [To be discussed / Your area of expertise]
- **Proposed Date:** [To be arranged at your convenience]

A. Background

Access to structured, high-quality clinical education remains uneven across Malaysia, particularly for practitioners outside major urban centres such as Kuala Lumpur.

Many dentists face:

- Significant **time constraints** due to clinical workload
- **Travel limitations**, including cost and logistical challenges
- Limited access to **consistent, high-quality lectures and mentorship**

At the same time, the current landscape of online webinars presents several limitations:

- Often used primarily as **promotional tools** for onsite workshops
 - Frequently **lacking in clinical depth** and practical relevance
 - Generally **less engaging**, with minimal interaction or case-based learning
-

B. Core Concept

We propose a **high-quality, structured online clinical webinar series** designed to bridge the gap between theoretical learning and hands-on training.

Key Objectives

- Deliver **practical, real-world clinical knowledge** applicable to daily practice
- Reduce reliance on frequent travel to Kuala Lumpur for education
- Serve as a **learning bridge** prior to hands-on workshops
- Provide **accessible education nationwide and internationally**
- Engage practitioners in **underserved regions** (e.g. Sabah, Sarawak, Kelantan)

Positioning

This platform is **not a replacement** for onsite workshops.

Instead, it is a **strategic complement** that enhances the overall learning ecosystem.

C. Key Value Proposition

For Speakers

- Expanded reach beyond geographical limitations
- Enhanced professional visibility and authority
- Opportunity to build a **long-term educational brand**
- **Development of Professional Intellectual Property (IP)**

For Participants

- Affordable, flexible, high-quality learning
- Clinically relevant, case-based knowledge
- Better preparation for advanced courses and certifications

For the Platform

- Scalable education model
 - Strong community building across regions
 - Sustainable pipeline into workshops and advanced programmes
-

 - Honorarium will be processed **after completion of the session**.
 - The organizer reserves the right to adjust the structure based on program needs, with prior agreement from the speaker.
 - **Certifications will be issued to speakers by the dental academy.**
-

E. Role of the Academy

The Academy will serve as the **central organiser and quality controller**, ensuring that all educational content meets high clinical and academic standards.

1 Core Responsibilities

- **Maintain Annual Subscription of Google and respective IT management.**
- **Curate high-quality speakers**
Engage respected local and international clinicians (e.g. Japan, Europe and other leading regions) to deliver relevant, evidence-based content
- **Content review and quality assurance**
Systematically review lecture materials to ensure:
 - Clinical accuracy
 - Relevance to daily practice
 - Consistency in educational standards
- **Technical platform management**
Provide full support for:
 - Google-based webinar platforms
 - Registration and access systems
 - Recording and replay functionality
 - Real-time technical assistance

2 System Management & IT Infrastructure

- Maintain **active annual subscriptions** and administration of Google systems
- Oversee all IT-related operations, including:
 - Google Meet (session delivery)
 - Google Forms (registration and feedback)
 - Google Drive (content storage and sharing)
- Ensure secure, reliable, and efficient system performance at all times

3 Content Review & Quality Assurance

- Systematically review all lecture materials prior to delivery to ensure:
 - Clinical accuracy
 - Relevance to daily practice
 - Consistency in educational standards

- Maintain a structured review process to uphold academic integrity

4. Marketing & Outreach

- Strategically promote programmes to reach:
 - Dentists across Malaysia
 - International audiences
- Focus on:
 - Expanding access to **underserved regions**
 - Maintaining professional and ethical communication standards
 - Ensuring alignment with Academy branding and terminology policies

5. Technical Platform Management

- Provide full operational and technical support, including:
 - Management of Google-based clinical session platforms
 - Registration and controlled access systems (Gmail-only policy)
 - Recording and replay functionality for educational use
 - Real-time technical assistance during sessions

6. Governance & Quality Control

- Act as the final authority for:
 - Program structure
 - Speaker selection
 - Topic approval
- Ensure all activities comply with:
 - Clinical standards
 - Ethical guidelines
 - Data protection requirements

F. Expanded Role of the Academy

Beyond academic coordination, the Academy will function as a **digital education platform provider**, supporting long-term, scalable learning.

Platform Development & Management

- Develop and maintain a **high-quality professional website**
- Manage a **subscription-based video platform** (similar to YouTube-style access) for recorded webinars
- Ensure:
 - Stable access across regions
 - Data security and content protection
 - Smooth and user-friendly experience

G. Multi-Specialty Platform Integration

The Academy is designed as a **multi-specialty clinical education platform**, bringing together expertise from across different dental disciplines into one unified learning ecosystem.

Scope of Specialties

The platform will include, but is not limited to:

- Prosthodontics
- Endodontics
- Periodontics
- Oral Surgery
- Orthodontics & Clear Aligner
- Paediatric Dentistry
- Restorative & Aesthetic Dentistry
- Implant Dentistry

This ensures **comprehensive coverage of real-world clinical practice**, rather than isolated topic learning.

Why Multi-Specialty Matters

In daily practice, patient care is rarely confined to a single discipline. A multi-specialty platform allows participants to:

- Develop a **holistic understanding of case management**
- Improve **interdisciplinary decision-making**
- Recognise when to **treat, refer, or co-manage cases**
- Enhance overall **clinical confidence and treatment outcomes**

H. Rules and Regulation Policy

1. 🎓 Academy Rules (For All Participants)

1.1 Professional Conduct

- All participants must maintain respectful, professional communication at all times.
- Discrimination, harassment, or inappropriate language is strictly prohibited.
- Clinical discussions must remain evidence-based and objective.

1.2 Confidentiality & Patient Privacy

- No identifiable patient information may be shared.
- All case discussions must comply with relevant privacy regulations (e.g., HIPAA-equivalent standards).
- Screenshots, recordings, or redistribution of session content without permission are prohibited.

1.3 Attendance & Participation

- Participants should join sessions on time and remain engaged.
- Active participation (polls, Q&A, case discussions) is encouraged.
- Repeated absenteeism may affect certification (if applicable).
- Use real name and professional affiliation when logging in.
- Keep microphones muted unless speaking.
- Respect session moderation and time limits.

1.5 Certification & CME (if applicable)

- Certificates will only be issued upon:
 - Minimum attendance requirement
 - Completion of post-session evaluations or assessments

Registration Policy (Gmail Only)

1.6 Eligibility for Registration

- Registration for the online clinical series is **restricted to users with a valid Google Gmail account** (i.e., addresses ending in *@gmail.com*).
 - Registrations using institutional, corporate, or other email domains will **not be accepted**.
-

1.7 Account Requirements

- Each participant must:
 - Register using their **personal Gmail account**
 - Ensure the account is active and accessible throughout the series
 - One Gmail account = **one unique participant**
 - Shared or group email accounts are **strictly prohibited**
-

2.1 Speaker Eligibility

- Speakers must have recognized expertise and relevant clinical experience.
- Academic or professional credentials must be verified prior to participation.

2.2 Content Standards

- Content must be:
 - Evidence-based and up to date
 - Free from plagiarism
 - Clinically relevant and educational
- Clearly distinguish between:
 - Evidence-based recommendations
 - Personal opinions or emerging practices

2.3 Patient Data & Case Presentation

- All patient data must be:
 - Fully anonymized
 - Used with appropriate consent (if required)
- Images must not contain identifiable features unless explicit permission is documented.

- Slides should be:
 - Clear, readable, and properly referenced
 - Free of excessive branding or advertisements
- Include references for all major claims.

2.4 Recording & Intellectual Property

- Sessions may be recorded for educational use.
- Speakers grant permission for:
 - On-demand access (if applicable)

2.5. Minimum Duration Requirement

- Each clinical session preferably has a minimum duration of 1 hour.
- This includes:
 - Presentation
 - Introduction
 - Case discussion
 - Q&A segment
- Speakers are required to adhere to the minimum duration to ensure:
 - Adequate depth of content
 - Meaningful participant engagement

2.7 Flexibility

- Longer sessions may be adjusted depending on:
 - Topic complexity
 - Program format (e.g., panel, workshop, case series)

Speaker Engagement in Marketing (Mutual Promotion)

2.8 Encouragement of Mutual Marketing

- Speakers are **encouraged to participate in mutual marketing efforts** to support the visibility and reach of the clinical series.
- Share official promotional materials via their professional networks, including:
 - LinkedIn
 - WhatsApp
 - Email (via Google Gmail, if applicable)
- Promote sessions through:
 - Personal or institutional channels
 - Professional groups and associations
- All speaker-led promotions must:
 - Maintain consistent branding and terminology
 - Avoid the use of the term **“webinar”**

2.9. Professional & Ethical Standards

- Promotional messaging must:
 - Remain factual, professional, and non-misleading
 - Avoid exaggerated or promotional claims
 - Reflect the academic nature of the session

2.10 Recognition of Contribution

- The Academy may acknowledge speakers who actively contribute to marketing efforts as part of:
 - Program recognition
 - Future speaker selection considerations
-

3. Moderation & Academy

3.1 Session Moderation

- A moderator will:
 - Manage time
 - Facilitate Q&A
 - Ensure compliance with policies

3.2 Policy Violations

- Violations may result in:
 - Warning
 - Removal from session
 - Ban from future events
 - Reporting to relevant professional bodies (if serious)

3.3 Avoidance of Topic Overlap

- The Academy shall ensure that **similar or duplicate topics are not assigned to multiple speakers**, particularly within the same clinical series cycle.
- Each session must deliver **distinct educational value** and avoid repetition of previously covered content.

3.4 Specialty Coordination

- Speakers from the **same specialty** should not be assigned **overlapping or closely similar topics**.
- Program planning must ensure **diversity in subject matter**, even within the same discipline.

4. Data Protection & Security

- The platform must comply with data protection standards.
 - Participant data will not be shared with third parties without consent.
 - Secure login credentials must not be shared.
-

5. Communication Policy

- Official communication will be via:
 - Email
 - Approved messaging platforms
 - Participants must not use the platform for:
 - Unauthorized promotions
 - Recruitment without permission
-

Marketing & Communication Policy

1. Terminology & Branding

- The term “**webinar**” **must not be used** in any internal or external communications.
- Approved terminology includes:
 - **Clinical Series**
 - **Online Clinical Session**
 - **Virtual Clinical Forum**
 - **Academic Session**
 - **Case-Based Discussion**
- All marketing materials must maintain **consistent branding and naming conventions**

Beyond the session, your work will be featured within our educational platform, contributing to a growing community of dentists committed to continuous learning and clinical excellence.

We would truly appreciate the opportunity to collaborate with you and are happy to accommodate your schedule and preferred topic.

Please let us know your availability, and we will be glad to coordinate further details.

Thank you for considering this invitation. We look forward to the possibility of working with you.

Warm regards,
